Re: Proposed rents
increase G.K.V.

Dear Mr. Kreher:

There was a notice posted in our building by the potential owners of Georgia King Village to raise the rent. I am a tenent who Pays market rent. I was under the impression that a rent increase would be a part of the proposal for the new owners, however it was Stated that it would not be more than \$25.00 or \$35.00, as it is it appears to be a couple of hundred dollars. I would like to request More time to review this increase.

I would also like to ask that the new owners meet with the tenants to explain their intentions.

Thank you for any assistance you give this matter.

Sincerely

Mrs. Frances Houston
